

Application

```
classDiagram
    class Application {
    }
    class Reversi4colorWpf.App {
    }
    Reversi4colorWpf.App --|> Application
```

The diagram consists of two class boxes. The top box, labeled 'Application', is white with a black border and is divided into three horizontal sections. The bottom box, labeled 'Reversi4colorWpf.App', is gray with a black border and is also divided into three horizontal sections. A blue arrow with an open triangular head points from the top section of the 'Reversi4colorWpf.App' box to the bottom section of the 'Application' box, indicating an inheritance relationship.

Reversi4colorWpf.App
